Current Interests

- Structure –Property Relationship, Crystallization and Morphology in polymer/polymer blends

Education

- Ph.D, Chemistry, Pune University, Pune, 1999

Experience

- 22 years research experience in the field of polymers, which includes crystallization, morphology and mechanical properties of polymers and polymer blends, polymer processing.

Technical skills:

- Hands on experience on processing techniques and characterization of polymers which includes Small Angle X-ray Scattering, Wide Angle X- ray Diffraction, Dynamic Mechanical Analysis, Differential Scanning Calorimeter, Optical Microscopy

Publications in

- international journals: 10
- Poster Presentations: 5
- Patents applied: 1
