## Current Interests

- Polyolefin Monitor & Q-watch, Crystallization and Morphology in polymer/polymer blends
- Polymerization and characterization of Polyurethane

## Education

- M.Sc., N.Wadia college, Pune University, Pune, 1988

## Experience

- 20 years research experience in the field of polymers, which includes polymer processing, mechanical properties of polymers, solid state processing of polymers, nanocomposites of polymers and polymer blends.

## Technical skills:

- Hands on experience on characterization and processing techniques of polymer.

## Achievements

- Publications in international journals: 7
- Poster Presentations: 3

## Hobbies

- Interest in reading, listening music
